

Name \_\_\_\_\_

Make a puzzle.

**Learning focus**

Classifying information/construction

**Instructions**

Copy onto card. Have children cut out and assemble the puzzle.

**Talk about**

*How does reading the words help you know where to put the pieces?*

Name \_\_\_\_\_

Read and draw.

<p>You have a skeleton inside your body. It is made up of bones. You have more than 200 bones.</p>	
<p>The hair on your head grows all the time. It grows about ten centimetres a year.</p>	
<p>Teeth grow inside your mouth. You use your teeth to chew food.</p>	
<p>Nails grow on the ends of your hands and feet. They protect your fingers and toes.</p>
