## Rhymes

U3 Lesson 5

### I Wonder ...

I wonder what a whale thinks,  
Or if a walrus ever blinks.

I wonder what's in outer space,  
Or why worms do not have a face.

I wonder how my watch keeps time,  
Or why a lemon's not a lime.

I wonder how those spiders make,  
Big strong webs that do not break.

But most of all I wonder why,  
No one can ever touch the sky.
