

Unit Four

Rhymes

Lesson 3

Jumping Jacks

Put your hands right up.
Put your hands right down.
Now you touch your knees,
Then you touch the ground.

Get back up and
Put your arms out straight,
Now you spin them around,
Doesn't that feel great?

Get back up and
Do a slide to the right,
Now slide to the left,
Keep it nice and tight.

Put your arms out straight,
Now spin them about.
Jumping Jacks!
Now let's walk it out!
