

Lesson 6

Mini Maude

We have a naughty puppy,
Her name is Mini Maude.
She's really very good,
But one day she got bored.

She dirtied all the washing,
With her muddy little paws.
She trampled all the bushes,
And scratched on all the doors.

Then little Mini Maude,
Gave a stretch and then a yawn.
She soon fell fast asleep,
In the sun, out on the lawn.

“Can Audrey crawl on your lawn?” I asked.

I yawned and crawled into bed.

Cats have paws with claws, and
their claws can cause a bad scratch.
